

SCRIP – Rowing Dues Reduction Program

What is SCRIP?

SCRIP is gift card and gift certificates issued by local and national retail stores and restaurants, many places that you probably already shop. These are used just like cash.

How it Works

When you buy SCRIP certificates you pay face value on the certificate/gift card. However, Rockford Rowing gets them at a discount from our SCRIP vendor. One percent (1%) of your order goes to Rockford Rowing, and the rest of the rebate will be credited to your dues.

SCRIP orders are placed regularly throughout the year, even during the summer months. Orders for physical gift cards are submitted monthly. They are shipped and available within a week, once sorted they will be distributed to your rower unless other arrangements have been made. Some of the retailers offer reloads, this option is available on cards previously purchased through SCRIP. This is a GREAT way to utilize SCRIP and maximize your rebates quickly. Reload funds are usually available within 24hrs. Another offer is SCRIP now, this option allows you to print off the coupon in the comfort of your home. Or for you tech savvy families these can be saved on your smart phone for instant access.

What do you need to do?

- First you need to register at www.shopwithscrip.com
- Join a SCRIP Program
 - Using our enrollment code; B8A644EC39129
- Email your Presto Pay approval code to jlausin@me.com
 - Presto Pay is the **ONLY** form of payment Rockford Rowing uses. This will deduct your purchases right from your checking account. For security purposes this process takes a couple days. Please Do Not shop until this has been set up.
- Once you send your presto pay approval code to me I can activate the account and let your shopping begin ☺
- For added dues reduction, invite family and friends to register and sign up under your rowers name
